i-SIP Building System

Description

This is an assessment of the Innovaré Systems Ltd Structural Insulated Panel System developed for wall and roofing. The assessment is for a typical four storey domestic property and external treatment should be dealt with separately.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations. LABC Warranty also accepts its use when installed and used in accordance with the Scope and Conditions of the Registered Details Certificate and in relation to LABC Warranty's current Technical Standards.

Registration was first issued on 18/09/18 and is valid until 18/09/19 providing there are no amendments to applicable regulations.

Issue dated 18/09/2018
